Brand-side and agency-side marketing experience spanning talent partnerships, creator campaigns and content operations. Connects project delivery with measurable content performance and structured learning.

FEATURED EXPERIENCE

成都市丸增长科技有限公司 Mar 2025 - Sep 2026

Brand PR | Brand: 64k cellssense

01 **Brand ambassador project** Led the first brand ambassador partnership with Dylan Kuo (郭品超), assessing 50+ candidates. Owned negotiations, rights planning, shoots and cross-team delivery; developed four livestream visual concepts, launched three, and built an asset library and usage guide.

02 **Douyin creator campaigns** Led two campaign phases in 2026 with 47 creators, generating 3.22M+ impressions and 240K+ clicks. Following changes to partners, creator mix and media strategy, phase-two CTR rose from 4.96% to 8.74% and all-in CPM fell 46.2% versus phase one.

03 **Xiaohongshu content growth** Owned strategy and review for 282 brand posts in 2025 and 230 in H1 2026. Guided interns across five accounts and 244 posts in 2025. By June 24, 2026, nutrition accounts had 12 of 73 posts exceed 1,000 interactions: a 16.4% hit rate.

04 **Livestream content systems** Core lead for livestream talking points, ad scripts and visual systems; developed 30 ad scripts. Delivered 12 visual iterations in H1 2026 across seasonal, ambassador and launch moments; average livestream click-through rate was 11.25% during the period.

05 **Analytics and enablement** Led Ocean Engine Cloud Map exploration reports and internal training. Defined analysis standards for five scenarios: brand assets, key projects, creator content, livestream conversion paths and audience testing.

EARLIER EXPERIENCE

成都自由泳科技有限公司 Jul 2024 - Mar 2025
